TITLE I SUMMER SCHOOL 2016

Snider Update

June 16, 2015

About Me!

Happy Summer School! My name is Sara Snider. I teach 4th grade at Copeland Manor School right here in Libertyville District 70. I am so excited to be focusing on reading instruction in Title I Reading this summer!

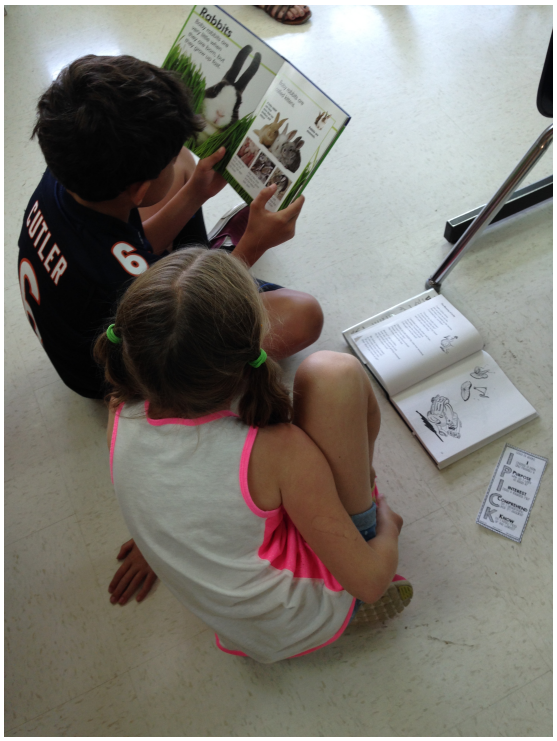
READING ROCKS!

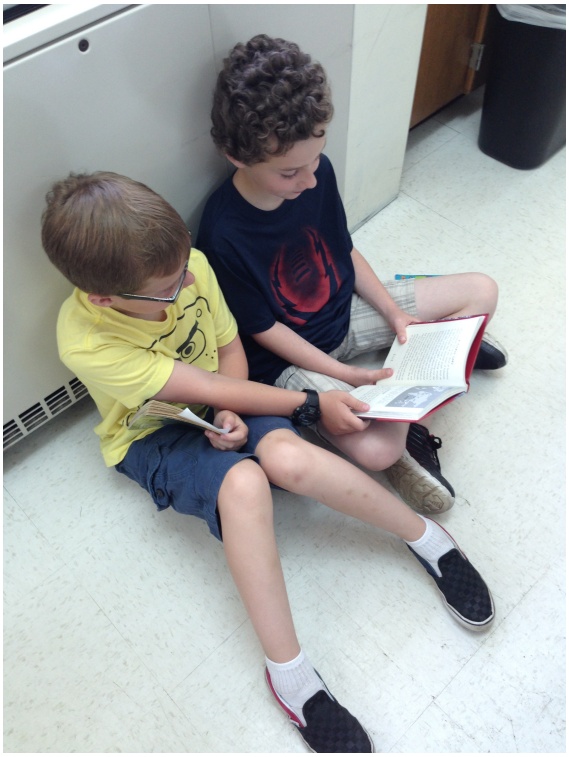
The first days of Summer School have been so fun! We have defined a "Good Fit Book," and the students have chosen a Good Fit Book to practice reading skills we learn about in class independently. We will focus on the following important comprehension skills:

-Narrative Elements **-Summarizing**

-Main Idea **-Nonfiction Elements**

-Oral Reading Fluency and Accuracy

Week 1 Recap




We've had a great first week of Summer School! We've practiced key behaviors of successful readers, and we took a fun field trip to the Cook Memorial Library! The students participated in a library scavenger hunt, and became members of the Summer Reading Club!
