SUMMER SCHOOL 2016

Chocolate Chocolate Chocolate!

About Your Teacher

I have been practicing social work in the school setting for eight years. I just completed my third year at Highland Middle School. I am very excited to be your Chocolate teacher this summer! Our class has been very exciting so far this year.

Summer school provides opportunities for students to make new friends and expand their creativity.

As always, please feel free to email me anytime with questions and/or concerns at: **mfarley@d70schools.org**

Eggs and Bacon!

The Class

Welcome young Chocolatiers! I hope everyone enjoyed our first two weeks of summer school. On the first day of summer school, we had fun getting to know each other by doing name activities. Students also contributed to classroom expectations, such as being respectful and listening when others are speaking.

Students had a breakfast for champions on our second day, which included "eggs and bacon" using white chocolate, M&M's and pretzel sticks. They also worked on a chocolate themed word search puzzle and created name place cards. We are reading a chocolate themed novel in each class, based on popular vote: "Charlie and the Chocolate Factory" or "The Chocolate Touch".

A variety of subjects are incorporated into our daily lessons- writing, reading, art, history, science, and geography. Be ready for more chocolate fun in the weeks to come!

-Ms. Marissa Farley
