

READING AND WRITING

Reading Comprehension

We will use the program, Making Meaning, to learn and develop reading comprehension skills like visualizing, comparing and contrasting, making inferences and determining important ideas. We will use interactive read alouds and leveled texts to practice and develop these skills.

Writing

This summer we will use a blend of writing strategies. We will be writing in response to what we read. We will also do some creative writing with different prompts.

Grammar

Each week, we will study a different part of speech. Our focus each week will be the learn and apply the parts of speech including nouns, adjectives, verbs and adverbs to our writing.

Welcome!

Welcome to Sharpening your Reading and Writing Grades 2-3. This summer we will be working on a variety of literacy skills including grammar, reading comprehension, reading fluency and writing. Through interactive read alouds, paired reading and independent practice, students will continue to build their literacy knowledge.

Daily Schedule

Each day will run on a similar, structured schedule.

- Grammar Warmup
- Comprehension skill introduction or review
- Skill practice with read aloud, partner reading or independent reading
- Writing

Your child will receive a folder to store all of their work. They will bring this folder home at the end of the summer. Your child only needs to bring a positive attitude to class! :)

About Miss Dugan

I attended the University of Illinois Urbana-Champaign, earning a Bachelor's degree in 2012. While there, I became interested in the implementation and advantages of technology in the classroom. I started teaching 4th grade at Oak Grove school in the 2012-13 school year, and moved to 3rd grade in 2013-14 and have been there ever since. I just received my Master's in Reading and Literacy at Benedictine University. In addition to teaching, I coach the Libertyville High School Varsity Dance Team. My goal as a teacher and coach is to instill a love of learning and make a positive impact in the lives of my students and athletes.
